Know Your Options 32-page guide(available in English and Spanish)

Most likely the first of its kind in the industry, this product/home care planner is a brilliant marketing tool for you and an unbeatable educational resource for your customers. This 8.5" X 11" book is a comprehensive guide to equipment options, needs assessment, home accessibility and Medicare and insurance. Its workbook style invites a proactive response from the reader and the text leads them back to you for answers.

New! Know Your Mobility Options bifold

The mobility assessment pages from our KYO guide were so popular we are offering them to you in the handy format of an 8.5" X 11" bifold. It is perfect for use as a hand-out or wall chart at shows, in your store, or in hospitals and clinics. Like the guide, it is customizable with your logo and contact information, and is a great marketing tool for you and an unbeatable educational resource for your customers.

New! Envelope insert...it's customizable

Use this handy envelope stuffer to let your customers know you offer a full line of products, and keep them coming back for more. We can add your logo and contact info and you can take advantage of the available option to add appropriate text and have the insert double as a coupon. Call Mary to hear about customizing options with this affordable and effective piece. **This piece is available with respiratory and without.**

Eight-page mini-catalog...recently updated

"Home Health Products to Enhance the Quality of Your Life." This handy 5.5" by 8.75" catalog is a compact collection of high-demand products. Your customers will find mobility solutions, aids to daily living, ways to stay safe and confident in the bathroom, and other daily living aids presented with inviting images and user-friendly text. **Does NOT include a respiratory section.**

Twelve-page mini-catalog

Same as our popular eight-pager, but **has a respiratory section.**

Respiratory bifold

The same information in the respiratory section of our 12-page catalog in a handy bifold format.

ADL trifold, Mobility Solutions trifold, Accessibility Solutions trifold

A newer addition to the OTS suite, this brochure offers the practical product images and information and some top-selling cash-and-carry items, all in the convenience of a trifold. Add your company label and these handy brochures will easily find their way into the hands of prospective customers.

New!

Disease-state trifolds, oxygen and sleep apnea

These versatile and educational trifolds are perfect for attracting new prospective customers who may be in need of your products and services. Provide a valuable service to your referrals, potential and current customers, and grow your business. Add your company logo and contact information when you order.

Oxygen leave-behind bifold

"You and O₂...Partners in an Active Life." Let your O₂ customers know you have other products that can help make their life easier. This helpful 5.5" by 8.5" bifold is packed with pertinent information, simple product images and descriptions. It is a gentle reminder that will bring your customer back to you again and again.

Marketing Aid CD

This CD is packed with clip art, text samples and more than 50 HME-specific images to help you create your own promotional materials.
